COVID:

A huge thanks to you all for your co-operation with our Covid rules and regulations last year. Your co-operation ensured that we had very little classroom closures for the year.

Unfortunately, we still will have our strict Covid protocols in place again this year. Parents will still be required to:-

- Wear masks at all times on the grounds of the school
- Contact teachers through their school email
- Remain outside the classroom when dropping children to school and collecting
- Adhere to social distancing on school premises
- Drop and collect promptly.
- Use the same one way system of walking around the school as last year.
- Book money can be paid at office as usual but only one person in reception at a time.

Car parking

For health and safety reasons parking is not permitted on the grounds of the school. We appreciate your co-operation in this regard.

As you may be away LIDL CAR PARK is also NOT AVAILABLE due to renovations. We require and appreciate your co-operation in this regard.

Yours sincerely

Niamh Cronin
