

Green schools September 2022 Newsletter!

Scoil Mhuire Junior

*Welcome back! Hope you enjoyed your Summer Holidays.
Great to be somewhat back to normal.*

**Remember: Reduce, Reuse, Recycle, Repair.
Protect, Preserve, Conserve.**

We are all Global Citizens. We all take care of the Earth!

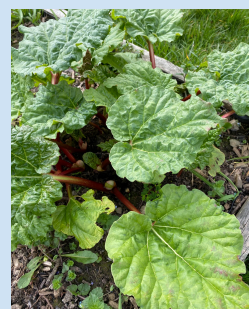

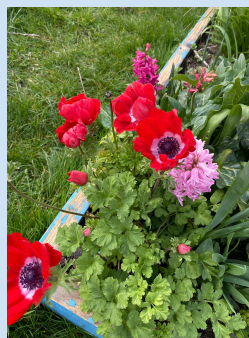

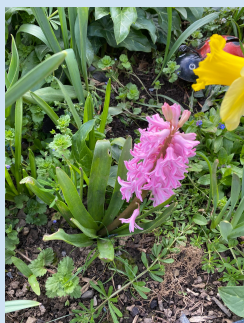

Scoil Mhuire Junior finally raised the flag for **Global Citizenship for Litter and Waste** that we received in 2021. Due to Covid restrictions we got to raise it early September.

We won a **Green schools Award** for all our work on this flag - Weekly rubbish collections, Junk Couture Fashion Show, Reduce, Reuse, Recycle videos, Community involvement. Thank you all for your participation! We could not have done it without you.

We are currently working on **Global Citizenship for Energy!** We need your help again - get involved, be informed, find ways to save energy!

**Watch the seasons and the wonderful changes.
Look at all the plant life and animal life in Scoil Mhuire Junior!**

Summer

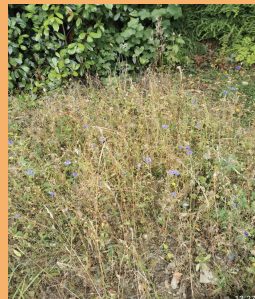

Take a look at our Wildflower Garden

Autumn

**Red Admiral
Butterfly**

**Our Wildflowers now
need to be beheaded to
save seeds for next
Spring**

**We spotted our
first Pear from our
Pear Tree!!**

**Helicopter Seeds
from the Sycamore
Tree**

**Our Juicy apples
from our Apple Tree**

**Planting a Holly
Tree**

**Keeping our
Biodiversity going**

**Do your bit,
Save the Earth!**

Protect our school environment, our outdoor learning environment, we learn so much for planting and growing. We can study animal and mini - beasts habitats!

Act Local, Think Global!
